Who we are

Established for over 20 years, Morgan West has developed a reputation for taking time to understand your needs for permanent, interim and temporary recruitment in the accountancy sector. We pride ourselves on fostering recruitment partnerships built on trust, honesty and an openness of communication in our dealings with both clients and candidates. We believe this transparency sets us apart in the specialist accountancy recruitment sector.

Our people are not merely recruitment specialists, but resource strategists. Providing you with cost effective and efficient solutions through comprehensive, consultative process management. The cornerstone of our success is strong personal relationships with key hiring Managers, Human Resources and candidates.

What we do

As one of the leading specialist consultancies, Morgan West have the capacity to support both large multi-nationals and small local businesses to achieve strategic and tactical staffing objectives. Our in depth market knowledge is second to none.

Our consultants are able to add value to the most taxing recruitment issues utilising their commercial acumen and experience.

We offer a variety of services that will allow you to create your own tailored service and feel confident in the knowledge that we are the best people to take care of your entire process or to work in partnership with you.

We thrive on saving customers' time, money and frustration. Since our account managers and recruitment consultants have comprehensive industry knowledge, we are experts at uniting talent with opportunity.

We offer a truly tailored service to each client on an individual basis. No two requirements are ever the same, which is why we pride ourselves on being flexible and adaptable, despite the circumstance.

Our network

Growing the business organically over the last 20 years has allowed us to develop a strong network of regional offices across the South West of England and Wales.

We strive to ensure that all consultants are from the local area to achieve maximum market knowledge and provide you with the individual solutions you need to recruit effectively.

Having recruited for a vast portfolio of clients from FTSE 100 blue chip companies to start-up organisations, Morgan West is experienced enough to determine exactly what type of service will best suit your needs.
